Student Volunteer:

You are about to make one of the best decisions of your life. Please tell us in your own words, why you want to volunteer with Westside King's ministry to children and why are children important to you?

A Note to Parents:

Your child has demonstrated they are excited about making a difference in the lives of children. This journey requires time, sacrifice, and effort. Please ensure that your student is on time, follows through on their commitment, participates fully while serving and attends any training & development provided by WKC staff or lay leaders to help them to be successful in their serving commitment. We pray that you will come alongside your student and encourage them as they move forward in serving God and the work He is doing here at Westside King's Church. We trust that as they bless the children through their efforts, God will bless and grow them with a deeper connectivity to Himself and to His church.
